

## Information for Application

### General

Our full-time postgraduate course offers a standard study period of four semesters, culminating in a Master of Arts degree. Extensions are possible on an annual basis. Tuition fees amount to 2200 per semester, plus administration fees (about 300 euros). Lectures and seminars are scheduled between 10am-6pm. Excursions and theatre and exhibition trips take place outside of core lecture periods, weekend seminars and intensive courses will be announced in advance. Details will be available on our online curriculum. Semester breaks (mid-February to mid-April and mid-July to mid-October) should be used for project work and work experience. Lectures and seminars are mainly held in German, some workshops are on offer in English. There is a strong focus on group work.

### Application

The application process is in two parts:

1. Submission of application and portfolio (by 15th May)
2. Personal interview (approx. 30mins) with the TU selection panel

We recommend contacting the university prior to submitting your application. Information events take place regularly and tutors are happy to **discuss your portfolio** with you. Please contact Salka Schulz for more details.
